## ORGANISATIONAL PROFILE

Registered in the UK, our vision is to be the most sought-after single window company in Africa and the preferred recruiter for the top international organizations and multi-national companies. **We believe that human capital is the most valuable internal asset of any organisation** and we consider it important to ensure that not only is talent highlighted but also that the culture of excellence prevails in their daily work.

The agency's main mission is **to develop and provide the best talent and human capital solutions** for organisations operating in Africa by consistently applying best practices in the recruitment process and HR function.

We do not stop there, once the talent has been identified and recruited, we provide you with all the administrative formalities (housing, schools, administrative and legal documents including work permits and visas) for the foreign/expat/international workers where it is needed.

Our ambition is that organisations and companies operating in Africa are able to **identify and recruit the best of African talent** that is available. This way we believe organisations and companies benefits from talent that is understands the culture very well. We actively reach out to the African diaspora so that we can give them excellent professional opportunities to return and work in Africa.

Our **expert recruiters** will enable organisations to acquire the best talent they need to stay ahead of the curve. At Ubhora International, we make sure that the job profiles match perfectly with requirements of the client. We carry out in-depth research and assessment of the capabilities of each candidate and conduct skills-based scientific interviews (CBI) with each candidate before introducing them to our clients.
